- ▶ The SL Series amplifiers offer high, stable power output and a high efficiency factor on the high performance level
- ▶ They are the ideal choice for driving a multitude of mobile and club systems

Straubing, January 2009 New SL Series amplifiers offer a complete package of reliable, high-output power, high efficiency, and legendary DYNACORD performance—all derived from more than 60 years' expertise in the industry.

A premium system drive choice for mobile and installed systems, the SL Series comprises the competitively priced SL900 (2 x 450W), SL 1200 (2 x 600W), SL 1800 (2 x 900W), and SL 2400 (2 x 1200W).

Unique features include DYNACORD's comprehensive protection system (protection against overheating, overload, short circuit, HF and DC) and patented LPN filter (switchable frequency and phase response correction of connected loudspeakers).

The SL Series represents an exceptional combination of tour-proven audio quality, reliability, and value.

The SL Series Power Amplifiers:

SL 900	2 x 450W / 4Ω
SL 1200	2 x 600W / 4Ω
SL 1800	2 x 900W / 4Ω
SL 2400	2 x 1200 W / 4Ω

The Bosch Group is a leading global supplier of technology and services. In the areas of automotive and industrial technology, consumer goods, and building technology, some 271,000 associates generated sales of 46.3 billion euros in fiscal 2007. The Bosch Group comprises Robert Bosch GmbH and its more than 300 subsidiaries and regional companies in roughly 50 countries. This worldwide development, manufacturing, and sales network is the foundation for further growth. Each year, Bosch spends more than 3 billion euros for research and development, and applies for over 3,000 patents worldwide. The company was set up in Stuttgart in 1886 by Robert Bosch (1861-1942) as "Workshop for Precision Mechanics and Electrical Engineering."

The special ownership structure of Robert Bosch GmbH guarantees the entrepreneurial freedom of the Bosch Group, making it possible for the company to plan over the long term and to undertake significant up-front investments in the safeguarding of its future. Ninety-two percent of the share capital of Robert Bosch GmbH is held by Robert Bosch Stiftung GmbH, a charitable foundation. The majority of voting rights are held by Robert Bosch Industrietreuhand KG, an industrial trust. The entrepreneurial ownership functions are carried out by the trust. The remaining shares are held by the Bosch family and by Robert Bosch GmbH.
